Sheer fabrics

Fabric information

Fabric width (cm)	320 (±2%)
Weight	360 g
Composition	100% PES
Pattern repeat (cm), horizontal x vertical:	1 x 1

Applications

Pattern direction

Use the fabric width
as the curtain height.

Care instructions

Note

Colour shades may vary slightly
from one dye lot to another.

Certifications

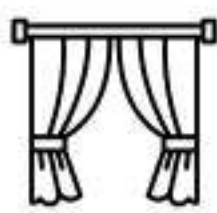

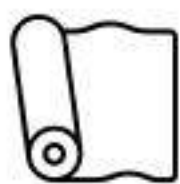

Fabric information

Fabric width (cm)	300 (±2%)
Weight	320 g
Composition	100% PES
Pattern repeat (cm), horizontal x vertical:	1 x 1

Applications

Pattern direction

Use the fabric width
as the curtain height.

Care instructions

Note

Colour shades may vary slightly
from one dye lot to another.

Certifications

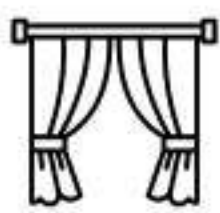

Fabric information

Fabric width (cm)	310 (±2%)
Weight	243 g
Composition	100% PES
Pattern repeat (cm), horizontal x vertical:	1 x 1

Applications

Pattern direction

Use the fabric width
as the curtain height.

Care instructions

Note

Colour shades may vary slightly
from one dye lot to another.

Certifications

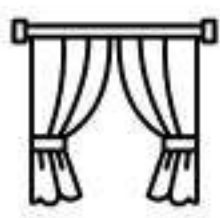

Fabric information

Fabric width (cm)	315 (±2%)
Weight	305 g
Composition	100% PES
Pattern repeat (cm), horizontal x vertical:	2 x 2

Applications

Pattern direction

Use the fabric width
as the curtain height.

Care instructions

Note

Colour shades may vary slightly
from one dye lot to another.

Certifications

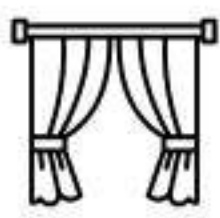

Fabric information

Fabric width (cm)	315 (±2%)
Weight	190 g
Composition	100% PES
Pattern repeat (cm), horizontal x vertical:	1 x 1

Applications

Pattern direction

Use the fabric width
as the curtain height.

Care instructions

Note

Colour shades may vary slightly
from one dye lot to another.

Certifications

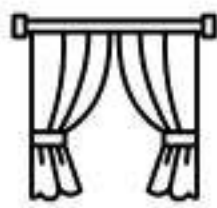

Fabric information

Fabric width (cm)	300 (±2%)
Weight	319 g
Composition	87% PES, 13% COT
Pattern repeat (cm), horizontal x vertical:	4 x 4

Applications

Pattern direction

Use the fabric width as the curtain height.

Care instructions

Note

Colour shades may vary slightly from one dye lot to another.

Certifications

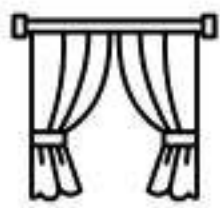

Fabric information

Fabric width (cm)	300 (±2%)
Weight	210 g
Composition	100% PES
Pattern repeat (cm), horizontal x vertical:	4 x 4

Applications

Pattern direction

Use the fabric width
as the curtain height.

Care instructions

Note

Colour shades may vary slightly
from one dye lot to another.
